HARVEST
October 2024

ALCOHOL
13.6%

BOTTLING
March 2025

pH
3.36

TASTING NOTES FROM THE WINEMAKER
This Rosé opens with lifted aromas of crushed raspberry, wild strawberry and subtle rose petal. The palate is bright and supple, carrying notes of red cherry, cranberry, and a hint of baking spice. The finish is long and refined, with lingering minerality and fresh fruit.

VINTAGE OVERVIEW
The 2024 growing season was one of those years winemakers hope for, guided by steady warmth, cool nights, and a perfectly timed touch of rain. A cooler June and dramatic day-to-night temperature swings in July brought depth and freshness, while an unexpected August shower gave the vineyards a lift before harvest. Fruit was brought in under sunny clear skies and chilled nights, allowing every berry to remain pristine. We knew the wines would shine. The vintage delivers vivid fruit, lively energy, and the kind of balance only Oregon's *Good Light* can reveal.
