HARVEST
October 2024

ALCOHOL
13.8%

BOTTLING
December 2025

pH
3.78

TASTING NOTES FROM THE WINEMAKER
The 2024 Elouan Chardonnay contains inviting aromas of baked apple and warm spice lead to a rich, lively palate that is layered with Bosc pear, candied ginger, and pineapple. The wine finishes smooth and round, with a lasting impression that keeps you coming back for another sip.

VINTAGE OVERVIEW
The 2024 growing season was one of those years winemakers hope for, guided by steady warmth, cool nights, and a perfectly timed touch of rain. A cooler June and dramatic day-to-night temperature swings in July brought depth and freshness, while an unexpected August shower gave the vineyards a lift before harvest. Fruit was brought in under clear sunny skies and chilled nights, allowing every berry to remain pristine. We knew the wines would shine. The vintage delivers vivid fruit, lively energy, and the kind of balance only Oregon's *Good Light* can reveal.
